

Huntley Centennial P.S Council Meeting

Wed. Feb 23/11

Attendance:

Stephanie Kola Donna Christie Tracey Brown Denise Henderson

Jody Heath Cindy Beauchamp Diana MacFarlane

Agenda Approval: Stephanie & Jody

Minutes from previous meeting approved: Jody

Open Action: none

Treasurers Report: All cheques for second milk & lunch program are now deposited. Tracey to follow up with Louise on exact details of where the council funds are at to date.

Principals Report:

We now have 8 Smart Boards in the school (Corbett, Simpson, Graff (arts room) Diotte, Bowie, Chick, Flipson, Spec Ed Room) + 1 Moveable 1 which will allow us to have some in the portables. Ms. Chick is going to oversee the training of the Smart Boards.

All math teachers took part in a half-day workshop within the school. Really well received & a BIG +.

School Upgrades: Every year they try to do something to the school to improve it. This year the staff/adult washrooms are going to be upgraded. Gym 1 will be painted, as this has not been done in over 30yrs. Looking also to put some hooks in the hallway outside Gym1 for those that come in from portables to have somewhere to hang up their coats instead of dropping on floor. The Lost & Found has been upgraded & tidied up & is a BIG improvement!

Class placement & staffing is starting, letters for requests should be in by April1/11 to the office.

New Enrollment for September is JK 55. We have 55 graduating from Gr8 this year!

New Business: A parent had sent an email to Tracey wondering if possible to look into making changes to the playground.

It was discussed & this would require a fundraiser(s) to be done, which at this current time no existing members of council were willing to take on, Tracey to email parent, back informing this

parent of this & that if they would like to take this on we would meet with this parent to discuss more.

Next Meeting: Wed April 6/11 @ 7pm Library
